## A TRANSFORMED LOCAL LANDMARK

Initially built in the early 1800s and preserved with care, this passion project honors the Ozark community's rugged determination. The Mill underwent three fires and rebuilds and retired as the last commercially operating watermill in Missouri. Now in its new life, it's a dining destination with multipurpose event spaces, a history tour and a general store.

	<b>BRUNCH BEVERAGE</b>	<b>MIMOSA</b> ..... \$10 or \$16 bottomless
