CAN YOU FIND
YOUR WAY FROM
THE WORKSHOP
ALL THE WAY TO
THE OZARK MILL?

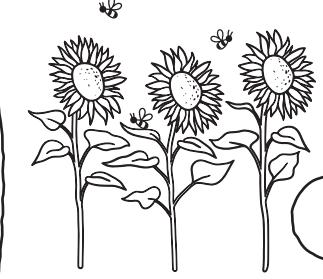

START

DID YOU KNOW?
Finley Farms has
busy bees that
help flowers and
plants grow.

THE FARMSTEAD

DID YOU KNOW?
Sunflowers grow
tall and turn
their faces
toward the sun.

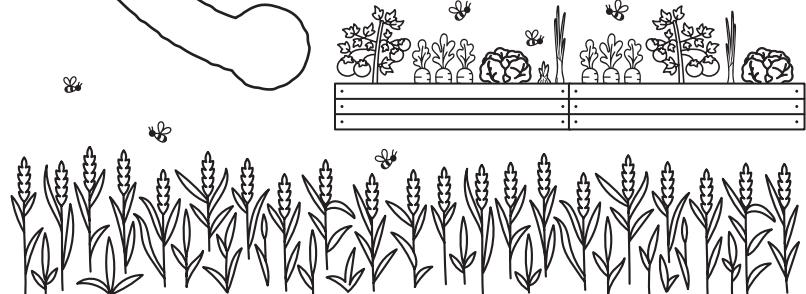

DID YOU KNOW?

The Ozark Mill sits next to the
Finley River and was first built in
1833 – that's over 190 years ago.

FINISH

DID YOU KNOW?
Mushrooms grow in a
shady mushroom yard
at Finley Farms. They
don't need sunshine
like flowers do.

DID YOU KNOW?
The Ozark Mill
was carefully
moved away from
the river so it
could be restored
and saved.

HOW
MANY
BUSY
BEE
S
CAN
YOU
FIND?

DID YOU KNOW?
The Riverside Bridge
is over 100 years
old and you can walk
across it today.
